IMPORTANT THINGS TO NOTE

Each unit has its own air conditioning and the option to play music via the radio or usb port.

The client is required to provide an electrical source as each unit requires 110 volts, 2x20 amps (this can be from a generator or can be accessed from house power). Access to an acceptable pressured water source is also needed.

Luxury foaming soap, c-fold, no touch hand towels and Select toilet paper are included in our toiletries package.
Rental rates start at \$140,000 before tax and vary based on the number of guests and location for the booking.
Island-wide service available.

FAQs

How many units should I rent for my event?

The number of units needed depends on factors such as the event size, duration and the number of attendees. Our team can assist you in determining the right quantity based on your specific event details.

What makes your luxury bathroom trailers different from standard portable toilets?

Our luxury bathroom trailers offer upscale amenities, including high-end finishes, climate control, and premium toiletries. They provide a comfortable and elegant experience that sets them apart from standard portable toilets.

How does the delivery and setup process work?

Our experienced team handles the delivery, setup and removal of the units. We work closely with event organisers to ensure a smooth and efficient process, minimising any disruption to your event.

How do you ensure cleanliness and hygiene during events?

We have strict cleaning and maintenance protocols in place to ensure impeccable cleanliness. Our attendants also conduct regular checks throughout to maintain a high standard of hygiene.

Are your trailers available outside of Kingston?

Our luxury bathroom trailers are available for your event anywhere in Jamaica.
